WELCOME TO FIRST CHURCH IN CAMBRIDGE...

Grounded in God • Growing in Community • Acting in Love

These past weeks have brought home to all of us the vital importance of working together to slow and limit the spread of Coronavirus. We know we are called to be a community of faith, not fear. We also know we are called to care for the most vulnerable in our midst, to be good stewards of our staff and resources, and to be good citizens of the wider community.

Under normal circumstances, people of faith would care for each other by drawing close together. It's what we do. It's who we are. In times of loss or threat, we respond by coming together to pray and to sing, to hug and hold each other tight.

Pandemics are different. During an outbreak such as the one we are facing now, we are called to care for each other by moving farther apart, creating a holy buffer of social distance. We do this not only for our own safety and the safety of the people around us, but in loving stewardship to our wider world.

Even when apart, we are not alone. God is with us, in every heartbeat, every breath: strengthening, comforting, and upholding us. Christ is with us, walking beside us, sharing our trials, speaking peace to our fears. The Spirit is with us, uniting us one to another across the barrier of physical distance.

These are temporary measures only. They won't last forever. We will rejoice and celebrate all the more when we are able to come back together, to share stories of what it was like, to laugh, to cry, and to share hugs and handshakes again. Until then, day by day, let's hold one another in prayer.

YOUR PRAYERS ARE REQUESTED

- For Madeleine Youngs for successfully defending her PhD thesis this past Wednesday!
- For Jaime Bonney and Charlie Riggs, who were married recently in a small outdoor ceremony.
- For Kristine Zakarison's daughter, Leda Zakarison, who is a UCC Global Ministry intern living in Beirut, whose room was destroyed by the blast.
- With joy for the birth of Lelia-mina Belhoussein on July 18 to Marni O'Brien and Tarik Belhoussein. Sally and Marc O'Brien are proud and doting grandparents!
- For the people of Beirut and all others affected by the explosions this past week, as they grieve the loss of life and work to rebuild.
- For all students, parents, teachers, administrators, and support staff trying to navigate the seemingly impossible terrain of school re-opening decisions and plans. May they have strength and wisdom to balance competing demands for ongoing education, caregiving, and safety.
- For our cities and our nation during this time of reckoning with historic and ongoing violence against Black and Indigenous persons and persons of color. We pray for all who are protesting, including those in Portland, Oregon who are facing extreme policing measures. We pray for a new birth of justice and healing throughout our land. We pray also for all who are continuing to grieve the recent killings of George Floyd, Ahmaud Arbery, Breonna Taylor, Rayshard Brooks, and so many others.
- For all who are grieving the loss of loved ones due to Covid-19; for all those who are ill with COVID-19 and their families; and for all of us who are navigating this strange new world, that we may receive God's comfort, strength, and peace.
- For all essential workers, who continue to put themselves at risk to care for the sick and most vulnerable, maintain our food supply, deliver supplies, keep our public services running, and lead us through this crisis. And for all who are experiencing unemployment or underemployment during this crisis, including undocumented workers who cannot find a safety net in our government's response.
- For African Americans and communities of color around the country that are facing disproportionately high rates of coronavirus death and infection, revealing entrenched inequalities in resources and access to healthcare. And for Asian Americans as they face unwarranted discrimination and hostility during this Covid-19 pandemic.

YOUR PRAYERS ARE REQUESTED

- For all who are in treatment for cancer: Penny Kilburn, Nancy Kilburn's mother; Amy Golodet, Jonathan New's sister-in-law; Becky Collet, Karen Anne Zee's daughter; Stewart Bailey, Karen Anne Zee's son-in-law; Beth and Polly, Ann McCann's sisters; Katie, Moana Bentin's sister; and former First Church member Nancy Sanders.
- For the 14 men who are finding care and residence in our First Church Shelter and for the guests of the Friday Café, who are experiencing worsening deprivation and hardship in this time of disruption; that may they know warmth, compassion, and companionship.
- For those who seek sanctuary in houses of worship around the country, including our partner University Lutheran Church in Harvard Square. We pray for tranquility for immigrants who live in constant fear and anxiety. And we pray for all who are working for a just and compassionate future for immigrants and asylum seekers.
- For God's strength as we combat the realities of the climate crisis. May God empower us and our leaders to take bold steps, personally and politically, to care for God's creation and for the poor around the world who are most affected by our inaction.

NEW TO FIRST CHURCH? Have you just begun joining us for online worship? Please consider filling out this ["virtual visitor card"](#) so that we might reach out and connect with you about our community.

CARLYLE STEWART, COMMUNITY MINISTER FOR RACIAL JUSTICE Good news, Church! Our recent Pastoral Associate Carlyle Stewart will be back this fall in a new grant-funded role as our Community Minister for Racial Justice. Thanks to funding from our [BU School of Theology Creative Callings Project](#) grant, Carlyle will be with us, albeit remotely, through January 2021. The part-time role (6 hours/week) will allow Carlyle to plan and lead three First Church online 'town-hall' style meetings in September, November and January, with some involving partners from the wider community. He will also be leading weekly theological reflection sessions on biblical and spiritual themes related to our work of becoming an anti-racist church. We celebrate

TODAY AT FIRST CHURCH

this work of the Spirit in our midst and on our ongoing partnership with Carlyle's whose gifts are perfectly suited for this needed work of spiritual and theological grounding.

SUMMER SCHEDULE Worship begins at 10:00 a.m. through August. We are offering a mix of livestream and pre-recorded worship. We're excited to continue experimenting with the possibilities surrounding virtual services, and we hope you will continue to worship with us online until we can all be together again in the sanctuary. The church building continues to be locked, but is staffed by sextons. We are offering building access from 12:00 to 4:00 p.m., Monday - Friday. If you need access to the building, please email Director of Operations Kirsten Manville and give prior notice of the day and time you would like to enter. This is both for contact tracing purposes and also to let the sextons know to expect you. Office Assistant Bruce Dillenbeck will also be in the church office for a few hours every Tuesday and Friday afternoon throughout the summer, answering the phone, sorting the mail, and doing other tasks that cannot be done from home.

PLANNING FOR THE FALL Living through a pandemic is not something most of us could have predicted, or even thought of as a possibility. We have all been learning as we go—adjusting to this new way of interacting, doing, and being. One thing has become clear over these last months: this pandemic will be with us for a long time yet. In recognition of this, First Church staff are homing in on a structure for our Sunday schedule that provides remote programming, worship, and fellowship/connection. If at some point this fall, we find that limited in-person gatherings seem feasible, we will plan to “add on” in-person components, but not alter the remote access. Remote will be our default; in-person will be an added bonus. We are working to ensure that, even though we need to remain physically distanced, our connection as a congregation remains strong and is felt deeply by each of you. We look forward to sharing more information about fall worship and programming in future bulletins and in the Fall issue of **EVENT**.

BECOMING AN ANTI-RACIST CHURCH

Prayer, Reflection, and Action

Summer 2020

The following statement expresses First Church's intentions and commitments for the summer of 2020. We join with a global outcry against recent and past events of violence against black and brown persons. This statement builds on several years of concerted efforts to raise our self-awareness, build relationships, and act towards racial justice and healing. We approach this work with hearts open to listening, learning, and change.

White silence is violence.
Black Lives Matter

First Church affirms that Black Lives Matter and Indigenous Lives Matter.

We celebrate the gifts, presence, and leadership of persons of color within First Church and beyond.

We recognize that the problem of racism is a white person's problem and that this is white people's work.

Becoming an anti-racist church means that we are determined not merely to raise our consciousness of racism, but to actively call out and intentionally work for change.

We do this work because we know our individual and collective spiritual health, transformation, and liberation depend on it.

We do this work relying on God's help and knowing that we cannot do it alone.

*We invite you to commit serious energy
and sacrificial love to at least
two of these levels of work.*

COVID-19 HOUSING STABILIZATION PROGRAM The City of Cambridge has announced the creation of a COVID-19 Housing Stabilization Program to provide short-term financial assistance to individuals and families in Cambridge who are experiencing housing instability due to the economic impact of the COVID-19 pandemic. Residents are encouraged to apply for the COVID-19 Housing Stabilization Program online at www.cambridgema.gov/housingfund.

YOUR FOOD PANTRY DONATIONS ARE NEEDED AS MUCH AS EVER! And our neighbors need YOUR help. Please add some items to your own shopping lists: canned fruits/vegetables, cereal, proteins, sauce for pasta, feminine products. No fresh food, please, and no opened or expired containers. Leave your donations in the box on Hilary's front porch at 30 Winslow St., Cambridge, a quick .75 mile from First Church, just off Sherman St. where it diverges from Garden St. She will see that they are delivered to the pantry on the one day a month that it is open. *Thanks for remembering our neighbors who are struggling in these hard times.*

THE FRIDAY CAFÉ BAGGED LUNCH SIGNUP HAS MOVED! Please note the new web address—and thank you for signing up to prepare 10 bagged lunches for hungry neighbors some upcoming Friday! <https://signup.com/go/rfHdKHr>

VOLUNTEER TO BAKE SOME GOODIES FOR OUR EVENING MEAL PROGRAM First Church is now serving 500 meals a week to help feed hungry neighbors! REPORT ON GREATER BOSTON INTERFAITH'S ORGANIZATION'S (GBIO) RACIAL JUSTICE CAMPAIGN Congrats to the 2000+ leaders in GBIO member institutions and beyond who “put feet to their faith.” They acted in this critical moment to push forward a holistic racial justice agenda, and our collective work has helped move key legislation into joint conference committees where final bills are being negotiated between the House and Senate. The bills in joint committee include:

- **POLICE REFORM.** A bill on comprehensive police reform including enhanced police training with certification/decertification through POST, reform to qualified immunity, and statutory limits on excessive use of force
- **HEALTHCARE.** A bill that expands telehealth, makes progress on mental health parity, and provides temporary relief from surprise out-of-network medical billing
- **HOUSING.** A bill that extends the moratorium on evictions/foreclosures for 12 months and provides relief for small and nonprofit landlords

We will monitor as the bills in conference committee proceed and send action alerts as needed. Please see [THIS LINK](#) for a full report and summary of the GBIO's 2020 Racial Justice Campaign. IDM teams and congregational core teams are following up with their members for relational meetings and evaluation. Please save the date and [RSVP HERE](#) for our Sept 10 virtual meeting at 6:00 p.m. to celebrate, reflect and look forward. We will send out reminders as the date approaches. Special thanks to First Church GBIO core team leaders, Casey Marsh, Seth Pate, Will Erickson (GBIO Liaison Team) and Phil Jones (GBIO Racial Justice Campaign Team).

SUPPORT FOR LEBANON Earlier this week an explosion in Beirut injured over 4,000 Lebanese people with at least 100 fatalities. Prayers and aid are needed to help recovery, and to begin rebuilding destroyed sections of downtown. The Red Cross of Lebanon is accepting donations at redcross.org.lb

TAKE TWO MINUTES TO ACT FOR POLICE REFORM The policing reform omnibus bill, still in legislative committee, diverts away from what Black and Latinx people most impacted by incarceration are calling for. It is not good enough! Read [Families for Justice As Healing's statement](#) on their [website](#). You will see suggestions for action, including support for No Cost Calls from prisons. Sheriffs are exerting pressure to oppose this humanitarian bill. A script for e-mailing or calling your legislators is provided on the website.

Night Song musicians prepared their contributions individually in their homes and churches, and Erik Bertrand combined the files for listening. We miss the wonderful resonance of the First Church sanctuary which enhances the music we typically sing, and look forward to returning when it's safe. Included are organ music based on chant melodies, a beautiful arrangement of Psalm 23 for soprano, Gregorian chant and hymns, and prayers written by soprano Beth Spaulding.
